Please notify us during business hours (06:00 - 15:30)
1 day before delivery.

Registration must be completed no later than the working day before the delivery date (Monday to Friday). If the desired time slot is already taken, a response can be sent along with a suggestion for a new time slot. If the time slots or the notified delivery time via email are not adhered to, timely or same-day unloading cannot be guaranteed. In such cases, EFF reserves the right to reschedule the delivery or time slot by up to 2 working days. Any resulting costs will be borne by the supplier.

Delivery times: 06:00 - 15:30 o'clock

Contact us:

Please send an e-mail requesting a delivery notification to the following contact details:
Leitstand Teamlog (Leitstand.Josera@teamlog.de)
Herr Patrick Ott (Patrick.ott@teamlog.de)
Herr Akif Aydin (akif.aydin@teamlog.de)

What information must be included in the shipping notification?

Name of the carrier
Time of delivery
Reference number: Order number

If you receive the delivery number, please give it to the driver so that he can show it or the order number on delivery.

To note:

The driver pulls over to the side next to the loading door marked "Teamlog."
To the right of the door is a buzzer labeled "Registration" (Teamlog Registration).
The driver drives up to the ramp assigned to him.

The drivers of the delivering freight carriers are required to wear and carry appropriate personal safety equipment, including safety shoes and a high-visibility vest. Adequate cargo securing is the responsibility of the supplier or the carrier employed by the supplier.
